

Alabama External Review Request Form

1

For Alabama health plan external review requests handled through the HHS-administered federal external review process (MAXIMUS Federal Services).

Read before submitting. In most cases, you must complete the mandatory internal appeal offered by the health plan or insurance issuer before an external review can begin. The completed request generally must be received within four months of the date the plan or insurer sent the final decision denying services or payment.

Alabama note: Alabama external review requests are generally handled through the HHS-administered Federal External Review Process. Submit to MAXIMUS Federal Services by fax at 1-888-866-6190 or by mail to HHS Federal External Review Request, MAXIMUS Federal Services, 3750 Monroe Avenue, Suite 708, Pittsford, NY 14534. Use this form as an Alabama-specific working version of the federal external review request.

Alabama External Review Request Form

3

For Alabama health plan external review requests handled through the HHS-administered federal external review process (MAXIMUS Federal Services).

Section 4: Claims for urgent care

If the situation is urgent, you may ask for an expedited review. An urgent care situation is one in which the covered person's health may be in serious jeopardy or, in a doctor's opinion, the covered person may have pain that cannot be controlled while waiting for the external review decision.

Is this external review for urgent care?

☐

Yes

☐

No

Treating provider name, if urgent:

Provider phone:

Briefly describe the urgent medical reason:

Section 5: Claims involving rescission of coverage

A rescission is an action by a health insurance issuer to retroactively cancel or discontinue a policyholder's coverage.

Is this request for external review of a rescission of health insurance coverage?

☐

Yes

☐

No

Section 6: Additional information and documents

MAXIMUS Federal Services will use this request to obtain relevant information from the health plan or insurer. You may include supporting documents you believe the plan may not provide.

Suggested attachments: denial letter or final adverse benefit determination; internal appeal letter and decision; Explanation of Benefits (EOB); medical records; provider letters; bills; test results; prior correspondence; and any other materials supporting the request.

List documents attached:

Submission: Fax to 1-888-866-6190 or mail to HHS Federal External Review Request, MAXIMUS Federal Services, 3750 Monroe Avenue, Suite 708, Pittsford, NY 14534. For questions, call 1-888-975-1080 or email ferp@maximus.com.

Alabama External Review Request Form

4

For Alabama health plan external review requests handled through the HHS-administered federal external review process (MAXIMUS Federal Services).

Section 7: Authorization and consent

Please sign and date this form. The covered person must sign unless they have a legal guardian, personal representative, are incapacitated, or have otherwise delegated authority to complete this form. If an authorized representative signs, attach written proof of authority.

I hereby request an external review. I attest that the information provided in this request is true and accurate to the best of my knowledge. I authorize my health plan or insurance issuer and my health care providers to release all relevant medical, treatment, claim, and coverage records to MAXIMUS Federal Services for purposes of this external review. I understand MAXIMUS Federal Services will use this information to make a determination on the external review request and will keep the information confidential as required by law.
