EXPEDITED APPEAL CERTIFICATION BY TREATING HEALTHCARE PROVIDER

(This form is for the purpose of providing the certification necessary to trigger an expedited review)

NOTE TO THE TREATING HEALTHCARE PROVIDER:

Patients can request an independent external appeal when an insurer has denied a healthcare service, supply or drug on the basis of a utilization review determination that the requested service, supply or drug does not meet the insurer's requirements for medical necessity, appropriateness, healthcare setting, and level of care or effectiveness. The West Virginia Insurance Commission oversees external appeals. The standard process for handling external review can take up to 45 days. Expedited review is available only if the patient's treating healthcare provider certified that adherence to the time frame for standard review would seriously jeopardize the life or health of the covered person or would jeopardize the covered person's ability to regain maximum function. Expedited review must be completed in at most 72 hours.
